Summer School

Converging Imaging and Systems Medicine

IMPROVE YOUR SKILLS:

- Macroscopic/Microscopic Imaging
- Data Mining
- Systems Medicine
- Omics
- Data Integration

LEARNING GOALS:

- Imaging Modalities
- Diagnostic Approaches
- Data Integration and Knowledge Extraction
- Link to Systems Medicine
- Advanced Data Analysis

Save the date:
20 - 24 May 2019

Castle Ringberg, Germany

Application deadline: 15 Feb 2019

Travel expenses of participants will be subsidized with 100 € per participant.
